

SCORPION BRAND

INNOVATION SINCE 1975

Introducing ...

The IronWorker™

A Fastener Designed for the Mahogany Family of Woods

Scorpion's IronWorker™ with its patented **Double Cut Threads**, is designed for hard woods. Utilizing a self starting point and an aggressive self-countersinking head, the IronWorker™ is a good choice to help prevent wood cracking or splitting*— a common problem for mahoganies. The IronWorker's™ stainless steel composition is compatible with cedar, cypress and redwoods.
